About Badger Daylighting Ltd.

Badger Daylighting Ltd. (TSX:BAD) is North America’s largest provider of non-destructive excavating services. Badger traditionally works for contractors and facility owners in a broad range of infrastructure industries. The Company’s key technology is the Badger Hydrovac, which is used primarily for safe digging in congested grounds and challenging conditions. The Badger Hydrovac uses a pressurized water stream to liquefy the soil cover, which is then removed with a powerful vacuum system and deposited into a storage tank. Badger manufactures its truck-mounted hydrovac units.
